First Tee Golf Experience Agreement

First Tee – Virginia Blue Ridge / *Building Game Changers*

This agreement outlines a staff-facilitated First Tee Golf Experience hosted at First Tee – Virginia Blue Ridge, offered as an extension of our youth golf and life-skills mission. Every booking includes guided coaching time in addition to simulator and lounge access. A signed Individual Participant Waiver (Appendix A) is required from every attendee and can be completed on arrival, or distributed in advance.

1. The First Tee Experience

Every booking is staff-led and includes:

- A First Tee coach-guided golf skills introduction for participating youth
- A short, age-appropriate life-skills activity drawn from First Tee's core curriculum
- Open simulator and putting time following the guided portion, so the group can enjoy free play for the remainder of the session

This structure reflects First Tee's mission of building game changers through golf and character development, and gives youth and families a hands-on introduction to First Tee – Virginia Blue Ridge programming.

2. What Our Golf Simulators Offer

Each simulator bay gives your group access to:

- Practice sessions to warm up and sharpen your swing
- Full rounds of golf on hundreds of world-renowned courses from around the globe
- Training games focused on specific shots and techniques, from short-game precision to long-drive power
- Basic instruction from First Tee-trained coaches
- Real-time shot data, including ball speed, launch angle, spin rate, and carry distance, for instant feedback
- Friendly skill challenges, like closest-to-the-pin and longest-drive contests
- Video swing playback so players can see and refine their mechanics
- Year-round, all-weather play, rain or shine

Availability of specific courses, games, and data features depends on the simulator software in use.

First Tee staff will be responsible for setting up the simulator computers based on each group's participation census.

3. Facility Access & Capacity

- Maximum building capacity is 49 people, including guests and staff. **While our maximum capacity is 49 people, First Tee – Virginia Blue Ridge encourages and generally aims for groups of around 25 people or fewer, so the space remains supportive of children and golf activities.**
- At least two (2) First Tee staff members, volunteers, or a combination of both will be onsite at all times to lead the golf and life-skills experience and assist with simulator set-ups.
